This is a 9-month program offered to children ages 3 and up, with an additional Friday Mom's Day Out for ages 2 and up. (Special consideration may be given for children at least 2 ½ years.) Fees are a flat rate per month, and children in the preschool program should be potty trained.

There are 2 options for Pre-School at DMG. The first option is a pre-school only which does not include a gymnastics class and runs for 3 hours. Students will still work on motor skills but will not receive a formal gymnastics lesson. The second option is pre-school with an added gymnastics class. Students will receive a 1 hour gymnastics lesson each day of school.
